This Amendment No. 1 on Form 10-K/A (this “Amendment”) amends the Annual Report on Form 10-K of ContextLogic Inc. (the “Company,” “we,” “our,” “us” or “ContextLogic”) for the year ended December 31, 2023, as originally filed with the Securities and Exchange Commission (the “SEC”) on March 5, 2024 (the “Original 10-K”). The purpose of this Amendment is to include information required by Part III of the Annual Report on Form 10-K that was intentionally omitted from Part III of the Original 10-K. In addition, this Amendment amends Item 15 of Part IV of the Original 10-K to update the exhibit list and to include new certifications by our principal executive officer and principal financial officer under Section 302 of the Sarbanes-Oxley Act of 2002, as required by Rule 12b-15 under the Securities Exchange Act of 1934, as amended (the “Exchange Act”) and amends the cover page to clarify that we are not a well-known seasoned issuer under Rule 405 of the Securities Act.

Except as described above, no other changes have been made to the Original 10-K. The Original 10-K continues to speak as of the dates described in the Original 10-K, and we have not updated the disclosures contained therein to reflect any events that occurred subsequent to such dates. Accordingly, this Amendment should be read in conjunction with the Company’s filings made with the SEC subsequent to the filing of the Original 10-K, as information in such filings may update or supersede certain information contained in this Amendment. As used in this Amendment, unless the context otherwise requires, we use the terms “ContextLogic,” the “Company,” “we,” “us” and “our” in this Annual Report on Form 10-K to refer to ContextLogic Inc. and, where appropriate, its consolidated subsidiaries.

### ***Board Overview***

The Board of Directors may establish the authorized number of directors from time to time by resolution. The Board of Directors currently consists of five members. Our directors hold office until their successors have been elected and qualified or appointed, or the earlier of their death, resignation or removal. The Board of Directors is divided into three classes with staggered three-year terms. Our Restated Certificate of Incorporation, as amended, and our Amended and Restated Bylaws provide that only the Board of Directors Board can fill vacant directorships, subject to any special rights of holders of preferred stock. Any additional directorships resulting from an increase in the authorized number of directors would be distributed pro rata among the three classes so that, as nearly as possible, each class would consist of one-third of the authorized number of directors.

Upon the completion of the Asset Sale, several individuals departed from the Board of Directors, and several individuals joined the Board of Directors. For more information on management changes that took effect upon completion of the Asset Sale, see the section below titled “*Directors, Executive Officers, and Corporate Governance—Directors and Executive Officers—Management Prior to the Completion of the Asset Sale.*” The following table sets forth the current members of the Board of Directors, the class to which he or she belongs and when such director’s term expires:

### ***Nominating and Corporate Governance Committee***

Each member of the Nominating and Corporate Governance Committee attended all of the Nominating and Corporate Governance Committee meetings, except for Mr. Tung, who missed one (1) meeting.

Our Nominating and Corporate Governance Committee believes that the minimum qualifications and skills that candidates for director should possess include: (i) the highest professional and personal ethics and values, (ii) a commitment to enhancing stockholder value, and (iii) sufficient time to carry out their duties and to provide insight and practical wisdom based on experience. The Committee also considers the following factors, in no particular order of importance: (i) various and relevant career experience, (ii) relevant skills, such as an understanding of the Company's business and technology, (iii) financial expertise, (iv) diversity, and (v) local and community ties. Notwithstanding the foregoing, our Nominating and Corporate Governance Committee retains the right to modify these qualifications from time to time.

Under our Corporate Governance Guidelines, diversity is one of several critical factors considered by the Nominating and Corporate Governance Committee when evaluating the composition of our Board of Directors, amongst other selection criteria. We consider various diversity factors when considering director candidates, including race, ethnicity, gender, age, professional experience, national origin, and geography. We believe each director contributes to our Board's overall diversity by providing a variety of perspectives based on distinct personal and professional experiences and backgrounds.

We are committed to enhancing the diversity of our Board of Directors and in furtherance of this, the Nominating and Corporate Governance Committee will conduct annual self-evaluations to assess its performance and effectiveness, which we expect will include its consideration of diversity and other selection criteria.

Our Nominating and Corporate Governance Committee will consider director candidates recommended by stockholders and evaluate them using the same criteria as candidates identified by our Board or the Committee for consideration. If a stockholder of the Company wishes to recommend a director candidate for consideration by our Nominating and Corporate Governance Committee, the stockholder recommendation should be delivered to the Secretary of the Company at the principal executive offices of the Company, and must include information regarding the candidate and the stockholder making the recommendation.

### ***Board Leadership Structure***

Our Board of Directors represents our stockholders and the Board's primary purpose is to build long-term stockholder value. Our Board of Directors also believes it is important to determine a board leadership structure that ensures the independent oversight of management as our Company continues to grow. Under our Corporate Governance Guidelines, our Board of Directors is not required to separate the offices of the chairperson and the chief executive officer but may do so if it deems it advisable and in the best interests of the Company and its stockholders. As of the completion of the Asset Sale, Mr. Bajaj has served as both our CEO and Board Chairperson. Our Board believes that this combination is in the best interests of us and our stockholders because by serving as both our CEO and Board Chairperson, Mr. Bajaj has a dual perspective into the responsibilities of each role and a comprehensive view of our strategic goals which allows us to make decisions more quickly and efficiently.

Our Lead Independent Director is responsible for conducting sessions with the independent directors as part of every Board of Directors meeting and chairing all meetings of the independent directors. With Mr. Bajaj's appointment as Board Chairperson, Mr. Farlekas became our Lead Independent Director in April 2024. Under our Corporate Governance Guidelines, our Lead Independent Director facilitates communication between management, the independent directors and the Chairperson of the Board, actively participates in setting the agenda for Board meetings, presides at executive session of the Board of Directors and performs such other duties as specified by the Board of Directors.

We believe this structure of a separate Chairperson and Chief Executive Officer, combined with a Lead Independent Director, if and when necessary, results in an effective balancing of responsibilities, and is the optimal structure for overseeing the strategic direction and leadership of the Company while also ensuring effective communication among Board members.

### ***Risk Oversight Management***

Our Board of Directors provides risk oversight for the Company by receiving management presentations, including risk assessments, from all functional areas of the Company, and discussing these assessments with management. In particular, our Board of Directors is responsible for monitoring and assessing strategic risk exposure. Our executive officers are responsible for the day-to-day management of the material risks we face. The risk oversight process includes receiving regular reports from Board committees and members of senior management to enable our Board of Directors to understand our risk identification, risk management, and risk mitigation strategies with respect to areas of potential material risk, including operations, finance, legal, regulatory, cyber security, strategic, and reputational risk. Our Board of Directors administers its oversight function directly as a whole, as well as through various standing committees of our Board of Directors that address risks inherent in their respective areas of oversight. Our Board of Directors has delegated responsibility related to certain risks to the Audit Committee, the Compensation Committee, and the Nominating and Corporate Governance Committee.

The Audit Committee discusses with management and our independent registered public accounting firm our risk management guidelines and policies, our major financial risk exposures, and the steps needed or taken to monitor and control such exposures. The Nominating and Corporate Governance Committee has primary responsibility to oversee risks related to Board structure and composition, and corporate governance. Our Compensation Committee oversees risks related to our compensation programs, and discusses with management its annual assessment of employee compensation policies and programs. Based upon this review, our Compensation Committee believes that any risks arising from such policies and practices are not reasonably likely to have a material adverse effect on the Company in the future. Specifically, we believe that the elements of our compensation program do not encourage unnecessary or excessive risk taking. Base salaries are fixed in amount, and thus do not encourage risk taking. A significant proportion of the compensation provided to our executives, and a material amount of the compensation provided to other employees, is in the form of long-term equity awards that are important to help further align employee interests with those of our stockholders. We do not believe that these awards encourage unnecessary or excessive risk taking because the ultimate value of the awards is tied to our stock price, and because awards are subject to long-term vesting schedules to help ensure that employees have significant value tied to long-term stock price performance.

### ***Stockholder Communications with our Board of Directors***

Stockholders wishing to communicate with our Board of Directors or with an individual member of our Board of Directors may do so by writing to our Board of Directors or to the particular member of our Board of Directors, care of the General Counsel and Secretary by mail to our principal executive offices, Attention: General Counsel and Secretary. The front of the envelope should indicate that it contains stockholder communication. All clearly marked written communications, other than unsolicited advertising or promotional materials, are logged and copied, and forwarded to the director(s) to whom the communication was addressed. Please note that the foregoing communication procedure does not apply to: (i) stockholder proposals pursuant to Exchange Act Rule 14a-8 and communications made in connection with such proposals, (ii) stockholder notice pursuant to Exchange Act Rule 14a-19 and communications made in connection with such notice, or (iii) service of process or any other notice in a legal proceeding.

### ***Meetings of the Board of Directors***

Our Board of Directors met twelve (12) times during 2023. Each member of our Board of Directors attended at least 75% of the aggregate of the meetings of our Board of Directors and of the Committees on which he or she served, held during the period for which such member was a Director or Committee Member. Members of our Board of Directors also consulted informally with management from time to time and our Board of Directors acted by written consent four (4) times during 2023. While we do not have a formal policy regarding attendance by members of our Board of Directors at our annual meetings of stockholders, all directors are encouraged to attend our 2024 Annual Meeting of Stockholders. At our 2023 Annual Meeting of Stockholders, all of our then-serving directors were in attendance.

### ***Corporate Governance Guidelines***

Our Board of Directors has adopted corporate governance guidelines to ensure that our Board of Directors has the necessary practices in place to review and evaluate ContextLogic Inc.'s business operations and long-term strategy. The corporate governance guidelines set forth the practices our Board of Directors follows with respect to board and corporate governance, including board leadership, evaluating management's performance and compensation, formulating company strategy, overseeing risk management and legal and ethical compliance, and managing potential conflicts of interest, among other responsibilities. The corporate governance guidelines, as well as the charters for each committee of our board of directors, are posted on our website.

### ***Corporate Responsibility***

We are committed to creating and maintaining a workplace free from discrimination or harassment on the basis of race, color, citizenship, religion, creed, national origin, ancestry, gender, sexual orientation, age, marital status, veteran status, disability, medical condition, or any other status protected by applicable law. Our global employment policies and compliance trainings prohibit such discrimination and harassment. Our management team and employees are also expected to exhibit and promote honest, ethical, and respectful conduct in the workplace. Moreover, we believe our values-based culture is a critical component to our success and our employees are critical to the success of our Company. We strive to create a supportive environment, where employees can contribute, learn, and grow in their careers. Our Company also prioritizes employee development and training, which we believe has a direct impact on employee growth, engagement, and retention. Additionally, we support the well-being of our employees by providing wellness benefits to support their overall health and ongoing well-being.

### ***Code of Conduct and Ethics***

Our Board of Directors has adopted a Code of Conduct and Ethics, which applies to all of our employees, officers, including our principal executive officer, principal financial officer, and principal accounting officer, and directors. We also expect our contractors, consultants, suppliers, agents, and other third parties to follow our Code of Conduct and Ethics in connection with their work for us. The full text of our Code of Conduct and Ethics is posted on investor relations website at [ir.contextlogicinc.com](http://ir.contextlogicinc.com). We intend to disclose future amendments to, or waivers, of our Code of Conduct and Ethics as and to the extent required by SEC regulations, at the same location on our website identified above and in public filings. Our Code of Conduct and Ethics represents our commitment to business integrity. The purpose of our Code of Conduct and Ethics is to promote compliance with applicable laws, regulations, and company policies; address common ethical situations we could encounter in our business; promote integrity and the highest standards of ethical conduct; and avoid even the appearance of anything improper in connection with our business activities.

**Narrative Disclosure to Summary Compensation Table**

***Base Salaries and Annual Incentive Opportunities***

To maintain a competitive executive compensation program, we offer cash compensation in the form of annual base salaries to reward individual contributions and to compensate our executives for their day-to-day responsibilities. We typically do not also provide any form of short-term cash incentive program to our executive officers.

<sup>1</sup> Mr. Yan was appointed as our Interim Chief Executive Officer effective September 8, 2022, our permanent Chief Executive Officer on February 21, 2023, and terminated his employment on April 19, 2024, in connection with the Asset Sale.

<sup>2</sup> Ms. Liu terminated her employment with us on April 19, 2024, in connection with the Asset Sale.

<sup>3</sup> Mr. Monico was promoted to the role of Chief Product Officer effective February 23, 2023, and terminated his employment with us on April 19, 2024, in connection with the Asset Sale.

Our Compensation Committee reviews the base salaries of our executive officers in connection with our annual performance review cycle. In March 2023, the Compensation Committee reviewed the base salaries of our executive officers and determined that it would increase the base salaries of Ms. Liu and Mr. Monico, as a result of their performance, criticality, and expected future contributions. Such salaries became effective in April 2023. The base salaries of Messrs. Yan and Monico and Ms. Liu were set by our Compensation Committee at the time of their commencement of employment with us, taking into account previous experience, competitive market data and benchmarks, critically needed skills and expected future contributions, and which reflected their individual negotiation with us as part of their employment packages with us.

Our named executive officers' 2023 base salaries were as follows: \$550,000 for Mr. Yan; \$600,000 for Ms. Liu; and \$500,000 for Mr. Monico.

### ***Equity Compensation***

To focus our named executive officers on the achievement of our business objectives, a majority of their compensation is equity-based. We emphasize the use of equity compensation in the form of RSU awards to motivate our named executive officers to focus on the growth of our overall enterprise value and, correspondingly, to create sustainable long-term value for our stockholders. Our use of RSU awards is also consistent with broad competitive market practices at comparable technology companies. We believe that having a substantial portion of our named executive officers' target total direct compensation tied to RSU awards aligns more closely with our business strategy to focus on long-term growth and innovation. We desire that our named executive officers share in the risk and rewards of our long-term performance, similar to our stockholders. For our executive officers, we may also grant discretionary performance-based RSU awards, which we believe provide greater incentive and retention objectives for them, as well as further aligning their interests with those of our stockholders.

In 2023, we used both options and RSU awards as the long-term incentive compensation component of our executive compensation program. Options were granted solely to Mr. Yan in connection with the commencement of his employment as our Chief Executive Officer, following his interim role with us; however, RSUs remain the primary type of equity award utilized for annual refresh and promotional awards to our executives.

Our RSU awards typically include a multi-year service-based vesting requirement, allowing them to serve as an effective retention tool while also motivating our named executive officers to work toward achieving our corporate objectives that we believe provide a meaningful return to our stockholders. Our stock options provide our newly hired executive officers with realizable value over time only if our stockholders also realize value after the date options are granted, thereby furthering the alignment of the interests of these executive officers and stockholders.

In granting equity awards, our Compensation Committee generally considers, among other things, the named executive officer's cash compensation, the need to create a meaningful opportunity for reward predicated on the creation of long-term stockholder value, our financial results, our total annual equity budget and any share pool funding constraints, an evaluation of the expected and actual performance of each named executive officer, their individual contributions and responsibilities, the retention hold of their existing outstanding and unvested equity awards and how that hold lapses over time as the awards vest, and the recommendations of our then-current Chief Executive Officer (except with respect to his own equity awards) which take into account an analysis of competitive market data prepared by our compensation consultant and internal pay parity considerations.

During 2023, we granted options to Mr. Yan and each of RSUs to Messrs. Yan and Monico and Ms. Liu under our 2020 Plan.

Mr. Yan was granted an award of 166,666 RSUs on February 27, 2023 which vests quarterly over two years, subject to Mr. Yan's continued service with us, with the first quarterly vesting date on May 15, 2023. Mr. Yan was also granted an option award for 299,444 shares of our common stock on February 27, 2023 which vests quarterly over two years, subject to Mr. Yan's continued service with us, with the first vesting date on May 15, 2023.

Ms. Liu was granted an award of 119,047 RSUs on April 27, 2023 which vests quarterly over two and a half years, subject to Ms. Liu's continued service with us, with the first quarterly vesting date on August 15, 2023.

Mr. Monaco was granted an award of 119,047 RSUs on April 27, 2023 which vests quarterly over two and a half years, subject to Mr. Monaco's continued service with us, with the first quarterly vesting date on August 15, 2023.

### **Health and Welfare Benefits**

Our named executive officers are eligible to participate in the same employee benefit plans, and on the same terms and conditions, as all other full-time, salaried U.S. employees. These benefits include medical, dental, and vision insurance, business travel insurance, an employee assistance program, health and dependent care flexible spending accounts, basic life insurance, accidental death and dismemberment insurance, short-term and long-term disability insurance, wellness benefits, and commuter benefits.

### **Retirement Benefits**

We maintain a Section 401(k) plan for our employees in the United States, including our named executive officers. The Section 401(k) plan is intended to qualify under Section 401(k) of the Internal Revenue Code of 1986, as amended (the "Code"), so that contributions to the plan by employees or by us, and the investment earnings thereon, are not taxable to the employees until withdrawn, and so that contributions made by us, if any, will be deductible by us when made. Currently, we do not provide company matching contributions to participants in the Section 401(k) plan. Additionally, the Section 401(k) plan also allows for employee contributions to be made on an after-tax basis in the form of Roth contributions. These contributions are intended to qualify under Section 402A of the Code and are designated to grow with tax-free earnings and are distributed at retirement without triggering any future income tax liability.

We do not provide pension or other defined benefit plan arrangements for our named executive officers or other employees, nor do we provide any nonqualified defined contribution or other deferred compensation plans to any of our employees, except where required by local law.

### **Perquisites and Other Personal Benefits**

Currently, we do not view perquisites or other personal benefits as a significant component of our executive compensation program. Accordingly, we do not provide significant perquisites or other personal benefits to our named executive officers except as generally made available to our employees or in situations where we believe it is appropriate to assist an individual in the performance of his or her duties, to make him or her more efficient and effective, and for recruitment and retention purposes. During 2023, none of our named executive officers received perquisites or other personal benefits that were, in the aggregate, \$10,000 or more for each individual.

### **Employment Arrangements with Named Executive Officers**

We have entered into written employment offer letters with each of our named executive officers. We believe that these arrangements were necessary to secure the service of these individuals in a highly competitive job market. Each of these employment offer letters does not have a specific term, provides for "at will" employment (meaning that either we or the named executive officer may terminate the employment relationship at any time, with or without cause, and with or without notice) and generally sets forth the named executive officer's initial base salary, eligibility to participate in our standard employee health and welfare benefit plans and programs, and includes a recommendation for an equity award to be approved by our Compensation Committee or our Board of Directors. In addition, each of these employment offer letters required the named executive officer to execute our standard Proprietary (Confidential) Information and Invention Assignment Agreement.

### ***Severance Arrangements with Named Executive Officers***

We entered into severance and change in control agreements with each of our named executive officers—with Mr. Yan in February 2023 in connection with his transition to our permanent Chief Executive Officer role, with Ms. Liu in connection her commencement of employment with us in 2021, and with Mr. Monico in connection with his appointment to Chief Product Officer in July 2023.

### **Corporate Governance Policies**

#### ***Derivative Securities and Hedging Transactions***

Our insider trading policy prohibits transactions by our directors, officers and other employees and their designees in publicly-traded options, such as puts and calls, and other derivative securities with respect to our Company's securities. This prohibition extends to any hedging or similar transaction designed to decrease the risks associated with holding Company securities. Stock options, restricted stock units, restricted stock, stock appreciation rights, and other securities issued pursuant to our Company benefit plans or other compensatory arrangements with our Company are not subject to this prohibition. Our insider trading policy also prohibits our directors, officers, and other employees and their designees from pledging Company securities as collateral for loans.

#### ***Stock Ownership Guidelines and Requirements***

We do not currently have any stock ownership requirements for our executive officers and the non-employee members of our Board of Directors, however, it is strongly encouraged.

**Initial Equity Award.** Each non-employee director appointed to our Board of Directors will be granted RSUs on the date of his or her appointment to our Board of Directors having an aggregate value of \$440,000 based on the closing price of our common stock on the date of grant. The RSUs will vest with respect to 1/3<sup>rd</sup> of the total number of RSUs subject to such award on each annual anniversary of the date of grant, in each case, as long as the non-employee director continues to serve on our Board of Directors through such date; provided, however, that vesting will be prorated on a monthly basis for a termination of service prior to an annual vesting date.

**Annual Equity Award.** Following the conclusion of each regular annual meeting of stockholders, each non-employee director who is serving on our Board of Directors on, and will continue to serve on our Board of Directors immediately following, the date of the annual meeting, will automatically be granted additional RSUs. As amended in November 2022, and commencing as of the 2023 Annual Meeting, such grant of RSUs will have an aggregate value of \$150,000 based on the closing price of our common stock on the date of grant. The RSUs will vest in full on the earlier of the one-year anniversary of the date of grant or the date of the next regular annual meeting of stockholders, so long as the non-employee director continues to serve on our Board of Directors through such date; provided, however, that vesting will be prorated on a monthly basis for a termination of service prior to such vesting date.

### **Cash Compensation**

Prior to the amendment of our non-employee director compensation program in November 2022, our non-employee directors did not receive any cash compensation for their services, and were compensated solely with the equity awards described above.

Commencing as of the conclusion of the 2023 Annual Meeting, each non-employee director will receive an annual retainer of \$150,000. The annual retainer will be paid quarterly, with 1/4<sup>th</sup> of the cash retainer paid on the date of the regular annual meeting of stockholders and an additional 1/4<sup>th</sup> will be paid every three months thereafter.

In addition, our non-employee directors will receive the following additional annual cash retainers:

<b>Position</b>	<b>Cash Retainer Value</b>
Lead Independent Director	\$20,000
Audit Committee Chair	\$20,000
Compensation Committee Chair	\$15,000
Nominating and Corporate Governance Committee Chair	\$10,000
Audit Committee Member	\$10,000
Compensation Committee Member	\$ 7,500
Nominating and Corporate Governance Committee Member	\$ 5,000

The additional cash retainers described in the table above will be paid quarterly, with 1/4<sup>th</sup> of the cash compensation paid on the date of the regular annual meeting of stockholders and an additional 1/4<sup>th</sup> will be paid every three months thereafter.

Our non-employee directors may elect to receive RSUs in lieu of any of the above described cash compensation; provided, however, that such an election is made during an open trading window and prior to the next regular annual meeting of stockholders. If a non-employee director elects to receive their annual retainer in RSUs, the grant would be subject to the non-employee director's continuing service and the RSUs will vest in full on the earlier of the one-year anniversary of the date of grant or the date of the next regular annual meeting of stockholders following the date of grant; provided, however, that if a non-employee director terminates service prior to such vesting date or ceases to provide services in their applicable role (e.g., as Lead Independent Director, Committee Chair or Committee service) but continues to serve as a member of our Board of Directors, as applicable, a pro-rated portion of the RSUs related to such non-employee director's service and/or role, as applicable, will automatically vest upon the non-employee director's termination of service or role, as applicable, equal to (i) the total number of RSUs subject to the award multiplied by (ii) a fraction, the numerator of which is the number of whole months since the last annual meeting of the Company's stockholders and the denominator of which is 12.

We will continue to reimburse our non-employee directors for their reasonable expenses incurred in connection with attending Board of Directors and Committee meetings, as well as reasonable expenses incurred in connection with continuing education programs focused on the Company's business, industry, legal, and the ethical responsibilities of board members. Additionally, the equity awards described above will vest in full in the event of a "change in control" of the Company (as defined in our 2020 Plan).

### **Compensation Committee Interlocks and Insider Participation**

Each of Messrs. Syed, Tung, and Bajaj served on our Compensation Committee during 2023. None of the members of our Compensation Committee during the 2023 fiscal year (or at any other time) simultaneously served as an officer or employee of the Company. No interlocking relationship exists, or during the 2023 fiscal year existed, between our Board of Directors or Compensation Committee and the board of directors or compensation committee of any other company.

### Item 13. Certain Relationships and Related Transactions, and Director Independence.

#### Policies and Procedures for Related Party Transactions

As provided by our Audit Committee charter, our Audit Committee has the primary responsibility for the review, approval, and oversight of any related party transaction. A related party includes our directors, executive officers, beneficial owners of more than 5% of our voting securities, or any member of the immediate family or person sharing the household with the foregoing persons. A related party transaction is any transaction, arrangement, or relationship (or series of similar transactions, arrangements, or relationships) in which we are, were, or will be a participant and

## [Table of Contents](#)

the amount involved exceeds \$120,000, and in which the related party had, has, or will have a direct or indirect material interest. Under our Related Party Transaction Policy, our management is required to submit any related party transaction not previously approved or ratified by our Audit Committee to our Audit Committee. In approving or rejecting the proposed transactions, our Audit Committee takes into account all of the relevant facts and circumstances available and deemed relevant to the Audit Committee, including, but not limited to, whether the transaction is on terms no less favorable than terms generally available to an unaffiliated third party under the same or similar circumstances and the extent of the related party's interest in the transaction. Our Audit Committee will approve only those transactions that, as determined by our Audit Committee, are in, or are not inconsistent with, our best interests and the best interests of our stockholders.

### **Related Party Transactions**

Other than the compensation arrangements with directors and current or former executive officers described elsewhere in this Annual Report on Form 10-K or as described below, since January 1, 2022, we have not entered into any transactions, nor are there any currently proposed transactions, between us and a related party where the amount exceeds, or would exceed, the lower of (i) \$120,000 or (ii) 1% of the average of our total assets at year end for the last two completed fiscal years, and in which any related party had or will have a direct or indirect material interest. We believe the terms of the transactions described below were comparable to terms we could have obtained in arm's-length dealings with unrelated third parties.

### **Indemnification Agreements**

We have entered into an indemnification agreement with each of our directors and executive officers. The indemnification agreements and our Certificate of Incorporation and Bylaws require us to indemnify our directors and executive officers to the fullest extent permitted by Delaware law.

### **Director Independence**

As required under the listing standards of the Nasdaq Global Select Market ("Nasdaq"), a majority of the members of a listed company's board of directors must be independent. Management and outside counsel have reviewed the directors' responses to a questionnaire asking about their transactions, relationships, and arrangements with us (and those of their immediate family members), and other potential conflicts of interest. Other than as set forth in this Annual Report on Form 10-K, these questionnaires did not disclose any transactions, relationships, or arrangements that question or compromise the independence of our directors. After reviewing this information, our Board of Directors affirmatively determined that each of our current non-employee directors is an independent director within the meaning of the applicable Nasdaq listing standards. We have also determined that each of the current directors, other than Rishi Bajaj, our CEO, who was independent until the completion of the Asset Sale, and each of the Former Directors, other than Mr. Yan, our former CEO, is or was, as the case may be, an independent director within the meaning of the applicable Nasdaq listing standards during their term of service. The independent members of our Board of Directors will hold separate regularly scheduled executive session meetings at which only independent directors are present.

All fees described above were pre-approved by the Audit Committee.

### **Pre-approval Policies and Procedures**

The Audit Committee's policy is to pre-approve all audit and permissible non-audit services rendered to the Company by the independent auditors. The Audit Committee pre-approves specified services in defined categories of audit services, audit-related services, and tax services up to specified amounts, as part of the Audit Committee's approval of the scope of the engagement of the independent auditors or on an individual case-by-case basis before the independent auditor is engaged to provide a service. The Audit Committee has determined that the rendering of the services other than audit services by the independent auditors is compatible with maintaining the principal accountant's independence.
